

To Whom It May Concern,

I am contacting you on behalf of the January 6th political hostages who have been incarcerated without due process and stripped of their constitutional rights. While you might not have any constituents affected by this, we are asking for your help. Are you aware of their incarceration, in maximum detention, held without bond? Are you aware of the defamation the media and government has done to them? Is this how America treats their first responders, their veterans, and their own citizens?

There are a few things we are asking you help us with:

1. Demand the release of the 14,000 hours of video to the public. If there is nothing to hide then there is nothing to hide!
2. Congress needs to be made aware of any federal government employees at The Capitol on January 6, 2021. Whether it be the FBI, CIA, DOD, DHS, DIA, Secret Service, National Park Service, MPD, Capitol Police and / or any other undercover agents of such type; including but not limited to any informants, CIs, or confidential human sources. We need to know what role these people played on January 6, 2021.
3. The January 6th cases need to be compared to similar ones. Whether it be the antifa attack on The White House or Code Pink obstructing The Supreme Court confirmations. We need to scrutinize the January 6th hostages being held without bond, without any type of visits (in person or virtual) and religious services. We need to look at the Department of Justice overcharging them and their ridiculous plea offers.
4. We need to disclose any insider knowledge. For example, how did John Sullivan know to be inside The Capitol that day? How was Nancy Pelosi's daughter conveniently there? Who in the media was told to be in The Capitol Rotunda for the photo op prior to the breach?
5. We need true investigation into the four protestor deaths at The Capitol on January 6, 2021: Ashli Babbitt, Rosanne Boyland, Benjamin Phillips, Kevin Greeson
6. The representatives of these individuals need to get to the facilities housing their pre-trial January 6th detainees.

On behalf of all of the J6 political hostages and their loved ones, we thank you in advance for your efforts on our behalf.

Respectfully,

A Concerned American Citizen
